## Presentation

*“Current and Future Trends in the Ever-Changing Field of Telehealth”*

### SPEAKER:

## Jyoti Kolhe Osten

Jyoti is the program manager for telehealth at Sharp HealthCare, a multi-hospital regional health system with award winning medical groups and health plan. In that role, she is responsible for creating a governance to coordinate and oversee the use of compliant and clinically appropriate technology platforms, expand the use of technology to enhance the delivery of care, and support innovation. She is passionate about transforming healthcare by leveraging technology to empower patients to engage in their health outcomes while allowing providers to work at their highest level and bring joy back to their practices. Jyoti will discuss current and future trends in this exciting and ever-changing field.
