

**Susan K. Newbold,
PhD, RN-BC, FAAN, FHIMSS**

Susan K. Newbold, PhD, RN-BC, FAAN, FHIMSS, is a Healthcare Informatics Consultant, Franklin, TN. She is uniquely qualified to teach this course as she has experience in the vendor, consulting, academic and hospital world. Dr. Newbold is Board Certified in Nursing Informatics and initiated the first review course in nursing informatics in 1995 which she taught over 120 times. In 2001 she won the Sigma Theta Tau International Honor Society of Nursing International Technology Award for Knowledge Advancement for this course. She was awarded the 2016 HIMSS Chapter Leader of the year in 2016.

Susan McBride, PhD, RN-BC, CPHIMS, FAAN

Susan McBride, PhD, RN, is a clinical nursing researcher focused on methods development for implementing, evaluating and utilizing large healthcare datasets and health information technology to improve patient safety and quality within the healthcare delivery system. Dr. McBride is a Professor within TTUHSC faculty with teaching responsibilities supporting DNP courses, including statistics, informatics, epidemiology, and a population health at the organizational & public policy level. Dr. McBride has developed and deployed software in the for-profit and not-for-profit industries and managed data repositories of clinical and administrative data within the healthcare industry in several positions within the past 15 years. She has numerous contributions to national and state activities relating to patient safety, quality and HIT through committees advising health methods on data management with presentations and publications on similar topics. Dr. McBride is one of the leading nurses in Texas with expertise in health information exchange, regional master patient indexing, and advanced data techniques for large data sets. Dr. McBride also supported operational activity as a Senior Clinical Advisor & Executive Oversight to the West Texas Health Information Technology (HIT) Regional Extension Center.

CEUs:

Axxess Consult Inc. is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's (ANCC) Commission on Accreditation. 14.0 hours of continuing education credit will be awarded upon completion of this offering. Full attendance at the program is required.

Note: This program is approved for up to 14.5 continuing education (CE) hours for use in fulfilling the continuing education requirements of the Certified Professional in Healthcare Information and Management Systems (CPHIMS) and the Certified Associate in Healthcare Information and Management Systems (CAHIMS).

Nursing Informatics Boot Camp

Dates: February 9-10, 2017
Registration: 7:30 am
Seminar: 8:00 am—4:30 pm

Where: The University of Texas
Health Sciences Center at Houston

Nursing Informatics

Nursing Informatics Boot Camp

FOLLOWS THE TEST CONTENT OUTLINE OF THE ANCC

This course goes beyond the ANCC outline to discuss current trends and issues.

Taught by informatics professionals with recent healthcare informatics experience.

COURSE DESCRIPTION

This intensive two day course focuses on current informatics trends and issues in health IT & includes content for nurses interested in becoming Certified Informatics Nurses. Other clinical professionals working in informatics may wish to take the course to become exposed to the course topics.

TOPICS

- ✓ Foundations of Practice
- ✓ System Design Life Cycle
- ✓ Data Management & Health Care Technology
- ✓ Current Issues
- ✓ Case Studies

COURSE OBJECTIVES

1. Discuss the scope and standards of nursing informatics practice
2. Describe professional practice, trends and issues within the informatics nurse role
3. Explore management and leadership issues affecting informatics in healthcare settings
4. Identify key concepts in informatics, information technology, information management, knowledge generation and data security
5. Consider human factors in relation to information technology systems
6. Describe models and theories associated with informatics
7. Delineate steps of the system life cycle as it applies to information technology in the health setting

REGISTRATION:

includes continental breakfast, lunch & breaks:

\$500 – Early Registration Fee

\$550 – Late Registration Fee (after 1/1/17)

Registration Deadline: 1/15/2017 (call to check availability after deadline)

REGISTER ON-LINE:
