The University of Texas Arlington (UTA), UTHealth Houston, and The University of Texas Southwestern Medical Center (UTSW) are pleased to announce the Third Annual Texas Health Informatics Alliance Conference (THIA). This conference will bring together the Health Informatics community in Texas, will provide an opportunity to share, collaborate, and showcase the amazing work in Health Informatics, and will feature presentations and keynote speakers from our state. This year, it will be hosted as an in-person conference on Friday, September 15 from 8 a.m. to 5 p.m. CST at UTHealth Houston Cooley Center in Houston, Texas.
